**TRADITIONAL AMERICAN  
MUSIC  
THROUGH SONG,  
INSTRUMENTS &  
MOVEMENT**

The focus of our program is to invite the audience to become actively involved in the creative process of traditional American music.

“JUST KIDDING” is comprised of Lynn Quinones, Guitar/Mandolin/Vocals, and Jill Crucey, Fiddle/Banjo/Vocals. Established in 1988, this duo has been charming audiences of all ages with a hands-on journey into the music of yesterday and today.

Lynn and Jill encourage an awareness of the music they love through the use of play party games, old-time fiddle tunes, story songs and parody. The audience is encouraged to participate in the music and mood by playing along with a variety of folk instruments. Performing for 300 plus audiences throughout California, Lynn and Jill also founded the Alhambra Valley Band, a popular San Francisco Bay Area group of performers specializing in Bluegrass, Traditional and Original New Grass Music.
